

the allestree bus service

- Gets you closer to the shops
- Quicker journey times for everyone
- Improved reliability in the evenings and on Sundays

From Sunday 1st May buses on **the allestree** will run into Derby via Bold Lane and Albert Street to a brand new stop in Osnabruck Square outside Uncle Tom's Cabin, right outside the Market Hall.

You'll be able to get on and off **the allestree** at main bus stops at The Strand, Victoria Street and Albert Street, great for all the shops and the Cathedral Quarter area, as well as easy onward connections to the Royal Derby Hospital on **the mickleover**. We will no longer serve the bus station.

The route of **the allestree** out of Derby will be via Derwent Street and the ring road meaning much quicker journey times for everyone.

This new route will also help to improve reliability of **the allestree** during the evenings and on Sundays.

Please check the new times carefully - the new timetable is now available to view on our website.

This is the new map of **the allestree** route in Derby.
